TRANSFER ORDER

Presently before the Panel are motions, pursuant to Rule 7.4, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001), by plaintiffs in 38 actions listed on Schedule A to vacate the Panel's orders conditionally transferring the actions to the Eastern District of Louisiana for inclusion in the Section 1407 proceedings occurring there in this docket. Merck & Co., Inc., favors inclusion of all actions in MDL-1657 proceedings. The treating physician and dispensing pharmacy defendants in the four West Virginia actions also favor inclusion of their actions in MDL-1657 proceedings.

On the basis of the papers filed and hearing session held (without oral argument), the Panel finds that these actions involve common questions of fact with actions in this litigation previously transferred to the Eastern District of Louisiana. Transfer of the actions to that district for inclusion in the coordinated or consolidated pretrial proceedings occurring there will serve the convenience of the parties and witnesses and promote the just and efficient conduct of this litigation. Any pending or anticipated motions to remand to state court or relating to the status of the action pending in the Central District of California can be presented to and decided by the transferee judge. *See, e.g., In re Ivy*, 901 F.2d 7 (2d Cir. 1990); *In re Prudential Insurance Company of America Sales Practices Litigation*, 170 F.Supp.2d 1346, 1347-48 (J.P.M.L. 2001). The Panel further finds that transfer of these actions is appropriate for the reasons expressed by the Panel in the original order directing centralization in this docket. In that order, the Panel held that the Eastern District of Louisiana was a proper Section 1407 forum for actions involving claims relating to Vioxx. *See In re Vioxx Products Liability Litigation*, 360 F.Supp.2d 1352 (J.P.M.L. 2005).

* Judges Motz and Miller took no part in the decision of this matter.
